HOW SAFE IS YOUR PLAYGROUND?

Kelmatt Safety Post and Wall Padding

Established in 1983, Kelmatt is an Australian owned company, manufacturing a diverse range of products servicing the advertising, sport and recreation, building, transport and associated industries. Our versatility in manufacturing and enthusiasm to develop and create new products means that if you have a special request, we are certain that we can fulfil your requirements.

Being a family business, children's safety is important to us. Kelmatt specialise in Gyms and Sleeping Mats, Safety Post and Wall padding, as well as fitted Sand Pit covers to make your play area safe!

Safety Padding

Kelmatt Safety Padding is used extensively in Kindergartens, Pre Schools, Childcare Centres, Primary Schools and High Schools. Available in a large range of colours and custom made to your requirements. Safety padding is also used by sport and recreation clubs such as football, tennis, netball, basketball, ice-skating and rugby clubs. Our reputation for quality and service has ensured we have become the preferred supplier to the AFL and the Olympic Winter Institute Speed Skating in the Docklands.

Sand Pit Covers

Kelmatt covers are manufactured from Pooltex Woven Mesh or PVC coated Super Mesh and will help protect and maintain your child's playing area. High quality industrial grade materials are used in the production of all our products and are also available in a large range of colours. Our personal attention to detail, along with prompt service and quality products ensure that Kelmatt will meet your requirements, whatever they may be.
